

Geo-Challenge Instructions

1. Go to www.geocaching.com, create a log-in and find the GPS coordinates and information for the 12 NHC Parks & Gardens geocaches. The caches are named for the parks where they are located. You may also search by "Hidden By Username: nhcparks&gardens"
2. Start your search and locate all 12 caches using a hand-held GPS device or smartphone. The caches are located in 11 of New Hanover County's parks and are marked OFFICIAL GEOCACHE.
3. There is a fee for admission to Airlie Gardens. Geocachers may gain complimentary access in order to complete the Geo-Challenge IF & WHEN they have found all 11 of the other Geo-Challenge caches (you must show your completed passport to the Ticket Agent to gain free entry). New Hanover County residents are admitted free of charge on the first Sunday of every month.
4. When you find a geocache, log your name and any comments in the logbook inside the cache and stamp your passport with the unique stamp for that park. Please leave the stampers in the container for the next geocacher. Be sure to log your find on geocaching.com. (if you do not log each find, you are not guaranteed a prize)
5. Once you have found all 12 caches and completed your passport, bring it to the Parks & Gardens office to receive your prize (the prize is for children).
