Any organization holding a Major Event on a facility under the control of the New Hanover County Parks and Gardens Department shall follow the rules listed below:

1. A Major Event, for these purposes, is defined as one which will attract at least one thousand (1,000) participants, or one which in the opinion of the New Hanover County Parks and Gardens Department will necessitate special concerns because of its nature. Major Events held at Hugh MacRae Park are limited to a maximum participation of three thousand five hundred (3,500) people, including individuals associated with the sponsoring entity. The maximum number of participants for events held at other New Hanover County Parks shall be determined on a case by case basis by the Parks and Gardens Department staff, based on the availability of sufficient infrastructure resources, the overall carrying capacity of the park, and compatibility with other uses of the park during the time requested.
2. A Major Event shall be sponsored by a local non-profit community organization, co-sponsored by a local non-profit organization and a for-profit concern, or sponsored by a for-profit concern so long as a majority of the net proceeds derived from the event are contributed to a non-profit organization. New Hanover County retains the right to verify contributions to non-profit organizations. User costs vary depending upon the nature of the user. Nonprofits must be able to produce proof of such designation, such as the organization's 501-C (3) number.
3. The event sponsor shall complete a Major Event Reservation Application, and submit the form within sixty (60) days of the requested reservation date to the New Hanover County Parks and Gardens Department for preliminary approval.
4. A special event shall follow all State and local laws, including New Hanover County Parks Ordinances (attached).
5. The event sponsor is responsible for obtaining liability insurance coverage with a minimum of one million dollars (\$1,000,000) of coverage per event. A Certificate of Insurance verifying this coverage must be submitted with the reservation application. New Hanover County shall be named as an additional insured in the policy. New Hanover County may require a higher aggregate amount of liability insurance coverage for some events.
6. The event sponsor shall obtain liquor liability insurance coverage with limits of at least one million dollars (\$1,000,000) per occurrence, specifically for the possession and/or distribution of beer and/or wine, if beer and/or wine is to be allowed at the event.
7. Beer and wine are allowed on park property in accordance with established Ordinance rules. Glass containers are not allowed. Fortified spirits are not allowed. The sale of beer and/or wine is allowed only for non-profit events, providing that the organization has obtained the required permit from North Carolina Alcohol Law Enforcement. The sale of beer and/or wine directly or indirectly through admission or other fees is

8. Alcohol distribution and consumption shall be limited to the immediate event area, such area shall be determined based on approval of its location by Parks and Gardens Department staff.

A one-month advance notice must be given to the New Hanover County Sheriff's office.

Events will be charged off-duty officer rates according to recommendations provided by New Hanover County Sheriff's office. The Sheriff's office will conduct a security analysis with recommendations to ensure security of the event. The following information is required for our sheriff's office to conduct a security analysis and make recommendations.

10. The event sponsor shall schedule a meeting with the New Hanover County Parks Superintendent for the purpose of coordinating logistical issues. This meeting is required before final approval will be given for the event. The meeting should take place at least thirty (30) days prior to the event. Alterations to the facility in any way are prohibited unless written authorization has been obtained from the New Hanover County Parks Superintendent. The event sponsor shall only have use of the space for which a contract was granted. Unauthorized use of any facilities on the park grounds for which authorization was not specified may result in immediate suspension of the use of the facility.
11. The Parks Superintendent shall determine the number of trash receptacles and port-o-johns required for the event. The Sponsor is responsible for contracting with a private hauler for these services. The cost of providing these services shall be Sponsor's responsibility. In addition, the New Hanover County Parks Department Director or designee may make a determination that an activity or event is in violation of New Hanover County Code, Section 23-34 "Sounds-Generally," when the volume of such sound causes complaints to be lodged by the general public.
 - A. Music shall cease by 10:00pm on Friday and Saturday and 9:00pm Sunday through Thursday. It is the event sponsors responsibility to see that noise levels are not violated.
